Keyboard, Organ and Piano Available

Due to Hurricane Michael, a Kurzweil electronic keyboard is being replaced. It has problems with 3 of the notes. Also, there is a home-style organ in the Chapel that we no longer need. Both are available to whoever wants them and will pick them up.

Insurance is getting us another keyboard that will go into the Chapel to replace the small grand piano. We get the piano tuned as often as financially possible, but it will not hold the tuning. It is for sale. We are offering the Chapel grand piano to anyone who would like to submit a monetary offer. Please let the Church Office know the offer you would like to submit during the month of February. At the end of February the Music Ministry Team will collect the offers and contact those who submitted them.
